

Complaint about childcare provision

Ref: EY398382/4823516

Date: 3 August 2021

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 25 June 2021, we received a concern that this provider was not meeting some of the requirements. On 29 July 2021, we carried out an unannounced visit. During the visit we identified a breach in the requirements. We issued the provider with a notice to improve. The provider will be able to give parents further information about this.

Action to take by 12 August

ensure that children's behaviour is managed in an appropriate way taking into consideration their age and stage of development.

We are satisfied with the action taken by the provider. The provider is still registered with Ofsted.

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
