

## **Complaint about childcare provision**

Ref: 2518735/4864162

Date: 16 August 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 August 2021, the provider notified us of an incident at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 11 August 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

Action taken by the provider:

The provider has reviewed their risk assessments. They have changed their lunchtime procedures to ensure that any potentially hazardous substances are not accessible to children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
