

Complaint about childcare provision

Ref: EY441162/4816960

Date: 16 August 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 June 2021, we received concerns that the provider was not meeting some of the requirements.

On 1 July 2021, we carried out a regulatory telephone call. We found no breaches to requirements that related to the initial concerns. However, although it did not form part of the original concerns, we found the provider had not notified Ofsted of all changes to individuals who are partners in, or a directors of, the company. This is a breach of requirements. The provider had taken action to put this right. We are satisfied with the action taken by the provider.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
