

## **Compliance action taken for childcare provision**

Ref: EY498818/4846487

Date: 10 August 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 July 2021, the provider notified us of an incident that had taken place at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 4 August 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take

Actions needed by 20 August 2021:

ensure staff are deployed appropriately so that children are supervised at all times

ensure that any potential hazards are identified and addressed in order to maintain children's safety, with particular regard to large resources and the outdoor garden.

The provider will be able to give parents more information about this.

The provider responded to the actions that were set. We are satisfied that they have

improved arrangements for supervision of children and to ensure risk assessment processes are more effective so that children are kept safe. The provider is still registered with Ofsted.

## **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
