

Compliance action taken for childcare provision

Ref: EY499177/4836597

Date: 10 August 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2 If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 July 2021 the provider notified us about a significant incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. On 4 August 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 20 August 2021:

- ensure the safeguarding policy includes a clear explanation of the action to be taken in the event of an allegation against a staff member, and is in line with local procedures and fully understood by relevant staff
- make sure that at least one person who has a current paediatric first aid certificate is on the premises and available at all times when children are present
- maintain a record of complaints including the outcome and any action taken in response, and ensure this is available to Ofsted on request.

The provider responded on 11 August 2021 and confirmed that they had taken action as required. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
