

## **Compliance action taken for childcare provision**

Ref: EY369816/4853394

Date: 25 August 2021

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 July 2021, we received concerns that the provider was not meeting some of these requirements.

On 9 August 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 31 August 2021:

- develop a secure, up-to-date knowledge of the action to take in the event of safeguarding concerns about a child or an allegation being made about any person aged over 16 years living or working on the premises where childminding takes place.

We monitored the provider's response to ensure the action was successfully completed.

We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
