

## **Compliance action taken for childcare provision**

Ref: EY559831/4846259

Date: 12 August 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 July 2021, the provider notified us of an accident at the nursery. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any serious accident or injury to a child.

On 21 July 2021 and 9 August 2021, we carried out regulatory telephone calls. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 20 August 2021:

ensure local child protection agencies are informed of any serious accident or injury to, or death of, any child whilst in your care.

We will monitor the provider's response to ensure the action is successfully completed.

The provider has completed the required action and is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
