

Complaint about childcare provision

Ref: 260013/4843322

Date: 22 September 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 Jul 2021 we received concerns that the provider was not meeting some of these requirements.

On 9 September 2021 we carried out a regulatory visit. We found that the provider was not meeting one of the requirements and had taken action to put this right. We are now satisfied that the provider is confident about ensuring the safety of children and staff understand their role to protect children from possible harm.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
