

Compliance action taken for childcare provision

Ref: EY366005/4869211

Date: 5 October 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at

www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 August 2021, the provider notified us of an event relating to a safeguarding matter. This notification means that the provider met their legal responsibility as set out in the early years foundation stage to notify Ofsted of any significant event.

On 17 August 2021, we carried out a regulatory telephone call to look into these concerns and to check that the provider was meeting the requirements of the early years foundation stage. We found the provider had not been meeting some of the requirements, but had taken action to put this right. During the regulatory telephone call, we found the provider had taken prompt and appropriate steps to ensure that all staff had the required suitability checks completed and had followed requirements to refer to the Disclosure and Barring Service. We are satisfied with the actions taken by the provider to rectify the breaches of the welfare requirements and therefore it was not necessary for Ofsted to take any further action in relation to this matter.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
