

Complaint about childcare provision

Ref: EY379922/4878236

Date: 6 October 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 August 2021, we received concerns that the provider was not meeting some of these requirements.

On 22 September 2021, we carried out a regulatory telephone call. Following this the provider submitted additional information. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed their policies and procedures in relation to the administration of medicine and has provided additional training to staff regarding the administering of medication.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
