

Complaint about childcare provision

Ref: EY481809/4891950

Date: 19 October 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 13 September 2021, we received concerns that the provider was not meeting some of these requirements.

On 11 October 2021, we carried out a regulatory visit. We also carried out a regulatory telephone call on 13 October 2021. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider now ensures that children are adequately supervised, including on outings. They also ensure that a record of complaints is maintained. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
