

Compliance action taken for childcare provision

Ref: EY544754/4881809

Date: 27 October 2021

Summary of outcome

Our ref: EY544754/4881809

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 September 2021, we received information from another agency which raised concerns about the provider's suitability. On 6 October 2021, we carried out a regulatory visit to discuss information received. We found the provider was not meeting some of the requirements. We issued the following actions for the provider to take by 2 November 2021:

- maintain a valid paediatric first-aid qualification at all times
- obtain and maintain a valid public-liability insurance as required
- improve knowledge and understanding of significant changes and events that Ofsted must be informed.

The provider will be able to give parents further information about this.

On 18 October 2021, the provider responded to the actions set. We found that the provider had attended paediatric first-aid training and obtained a public liability insurance. We also found that the provider had improved their knowledge and understanding of significant events and changes that Ofsted need to be informed.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
