

Complaint about childcare provision

Ref: 504645/4869065

Date: 26 October 2021

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 August 2021 we received concerns that this provider was not meeting some of these requirements. We visited the setting on 22 October 2021 and found that all of the 'Statutory framework for the early years foundation stage' requirements were being met. However, we did find that the provider did not notify Ofsted of a significant event. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
