

## **Compliance action taken for childcare provision**

Ref: EY562869/4922170

Date: 27 October 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework](http://www.gov.uk/government/publications/early-years-foundation-stage-framework). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 October 2021, the provider notified us about an incident that had taken place at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 20 October 2021, we contacted the setting and found that they had taken appropriate action as a result of the incident. On this occasion we do not intend to take any action. This is because at the time of the incident the provider took immediate action. They reviewed and improved risk assessment procedures and lunch time sleep routines.

On 25 October 2021, the provider notified us about a further incident that happened at the setting. We contacted the setting on 26 October 2021 and have served a Notice to Improve. The provider will be able to give parents further information about this.

Action needed by 5 November 2021:

- take action to ensure children are adequately supervised and staffing arrangements meet the needs of all children and ensure their safety.

On 4 November 2021, we received an action response letter. We found that the Notice to Improve had been met appropriately.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
