

Complaint about childcare provision

Ref: 206743/4829508

Date: 10 November 2021

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 July 2021, we received concerns that the provider was not meeting some of these requirements.

On 2 November 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements in relation to changes that must be notified to Ofsted. The provider has failed to inform Ofsted of changes to committee members. We discussed this with the manager who confirmed that action will be taken to supply this information so that Ofsted can carry out the required suitability checks.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
