

## **Compliance action taken for childcare provision**

Ref: EY551077/4938762

Date: 10 November 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early year's foundation stage', which you can find at <https://www.gov.uk/government/publications/early-years-foundation-stage-framework> If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 October 2021, the provider notified us of a safety incident at the setting. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundations stage to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises to look after children.

On 10 November 2021, we carried out a regulatory telephone call with the provider. We found the provider was not meeting a requirement of their registration and had taken action to put this right. Although no children came to harm, the provider improved the monitoring of transitions to help ensure that children are consistently supervised. They also took action to provide further training for staff and to initiate visual reminders to support the safe supervision of children. The provider will be able to give parents further information this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](https://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
