

## **Complaint about childcare provision**

Ref: EY476489/4948168

Date: 11 November 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 November 2021, we received concerns that the provider was not meeting some of these requirements.

On 10 November 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. This included taking action to meet children's health and dietary needs. For example, through updating paperwork and ensuring staff understand how to meet children's individual health and dietary requirements.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
