

## **Compliance action taken for childcare provision**

Ref: 2646979/4928158

Date: 11 November 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 October 2021, we received information that the provider may not be meeting some of these requirements.

On 5 November 2021, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 25 November 2021:

implement effective systems to ensure that practitioners, and any other person who may have regular contact with children, are suitable, for example by following safer recruitment procedures and enquiring about any gaps in employment.

The provider responded to the notice to improve and we are satisfied with the action they have taken. The provider has enhanced their recruitment and vetting procedure to enquire further about an applicant's overall suitability and any gaps in employment.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
