

## **Compliance action taken for childcare provision**

Ref: EY346787/4923840

Date: 7 December 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 October 2021, the provider notified us of two safeguarding concerns. There was a delay in the notification which means the provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted with 14 days.

On 8 November 2021, we carried out a regulatory telephone call. We found the provider had taken action to put this right. They had provided staff with training and reviewed their internal reporting systems of notifiable events to ensure they are effective. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
