

## **Compliance action taken for childcare provision**

Ref: 127664/4929567

Date: 14 December 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 October 2021, we received concerns that the provider was not meeting some of these requirements. On 24 November 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Actions needed by 7 December 2021:

Ensure that information is shared promptly with other professionals working with children so that they are fully informed of all matters which could impact on children's well-being.

The provider wrote to Ofsted confirming the action they had taken to meet the requirements. We are satisfied that the provider has taken appropriate action. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
