

## **Compliance action taken for childcare provision**

Ref: EY548974/4981538

Date: 20 December 2021

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 November 2021, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be Not Met (with enforcement). The inspection report sets out the actions the provider was required to take to meet the requirements.

On 17 December 2021, we carried out a regulatory telephone call. The focus of the telephone call was to check whether the provider had met the safeguarding and welfare actions, raised at their last inspection.

We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities. The provider has improved their risk assessments to ensure that the environments are safe for children. In addition, the provider has reviewed and updated their recruitment procedures to ensure all staff are suitable to work with children.

We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.
