

Complaint about childcare provision

Ref: EY558599/4972918

Date: 10 January 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 November 2021, we received concerns that the provider was not meeting some of these requirements.

On 8 December 2021, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. This is a legal notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 7 January 2022:

- ensure that children are only provided with food and drink that is in line with any specific dietary requirements advised by their parents.

We will monitor the provider's response to ensure the action is successfully completed.
