

Complaint about childcare provision

Ref: 119258/4958527

Date: 17 January 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 November 2021, we received concerns that the provider was not meeting some of these requirements. On 23 November 2021 we carried out a regulatory telephone call. Although not related to the original concern, we found that the provider had failed to notify Ofsted of changes to the individuals making up the governing body, which is a requirement of their registration. The provider has subsequently taken action to put this right. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
