

Compliance action taken for childcare provision

Ref: EY555433/4952815

Date: 2 February 2022

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 November 2021 we received information that raised concerns that the provider was not meeting some of these requirements.

On 31 January 2022, we carried out a regulatory telephone call. We found that the provider had failed to notify Ofsted about a significant event which is a requirement of their registration. On this occasion we took no further action because we believe the provider will meet the requirement for notifying Ofsted about significant events in the future. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
