

Compliance action taken for childcare provision

Ref: EY418509/5091142

Date: 16 March 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

During standard suitability checks for a household member, we became aware that the provider was not meeting some of these requirements. On 10 March 2022 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements.

We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 31 March 2022:

- take immediate action to gain a secure knowledge and understanding of the safeguarding procedures that you must follow if an allegation of abuse were made against you or a member of your household in line with current guidance of the relevant Local Safeguarding Partners (LSP)
- ensure that you gain a secure knowledge and understanding of incidents and changes that must be notified to Ofsted and the necessary timescales in which this must be done.

We will monitor the provider's response to ensure the actions are successfully completed.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
