

Compliance action taken for childcare provision

Ref: 2519647/5111373

Date: 28 March 2022

Summary of outcome

All early year's providers must meet the legal requirements in the Statutory framework for the early years' foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 March 2022, the provider notified us of a significant incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 15 March 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Actions needed by 6 April 2022:

- implement effective policies and procedures to safeguard children in line with the guidance and procedures of the relevant local safeguarding partners (LSP) which includes an explanation of the action to be taken in the event of an allegation being made against a member of staff
- provide an effective designated practitioner with lead responsibility for safeguarding to provide support, advice, and guidance to staff on an ongoing basis and on any specific safeguarding issue as required
- improve knowledge and understanding of when to make notifications to Ofsted and other agencies

The provider will be able to give parents further information about this.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
