

## **Complaint about childcare provision**

Ref: 2655479/5086625

Date: 29 March 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 14 February 2022, we received concerns that the provider was not meeting some of these requirements. On 3 March 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed their policies and procedures to ensure children are always within sight or hearing and staffing arrangements meet the needs of children. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
