

Compliance action taken for childcare provision

Ref: EY442642/5025222

Date: 8 April 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 March 2022, we carried out an inspection and found the provider was not meeting some of these requirements.

The overall effectiveness of the provision was judged to be inadequate. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 25 March 2022, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions, raised at their last inspection. We found that the provider had improved risk assessment and staff are more aware of their responsibilities to keep children safe.

Procedures in place for staff inductions have been implemented and recruitment procedures have been updated. Children with special educational needs and/or disabilities now have the support that they need to make better progress and parents are better informed about their children's care.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
