

Complaint about childcare provision

Ref: EY346416/5127680

Date: 14 April 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 April 2022, the provider notified us that a child had been left unsupervised in the garden. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 13 April 2022, we carried out a regulatory call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has improved staff deployment and staff understanding of practices to keep children safe as they move between different areas in the nursery.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
