

Compliance action taken for childcare provision

Ref: EY441574/5107913

Date: 28 April 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 February 2022, the provider notified us of an incident where a child was given food to eat that they were known to be allergic to. Prior to this, the provider had made another notification about a similar incident on 24 December 2021. The provider informed relevant outside agencies. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 27 April 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. They have provided further training to staff, including the chef. New and improved procedures have been implemented and embedded, which helps to thoroughly check the ingredients in the food provided. This helps to minimise the risks of children eating food they are known to be allergic to.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
