

## **Compliance action taken for childcare provision**

Ref: 2645868/5092366

Date: 9 May 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 February 2022, the provider notified us of a significant event. This means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event. On 28 February 2022, we received further concerns related to the same notification.

On 8 April 2022, we carried out a regulatory telephone call. The provider also looked into the concerns and shared additional documentary information on 20 April 2022. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider identified that some staff did not follow the setting's correct procedures for dealing with accidents. Therefore, the provider has taken steps to ensure that all staff improved their knowledge of the policies and procedures to follow in the event of any accidents and incidents.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
