

Complaint about childcare provision

Ref: 115858/5149735

Date: 12 May 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 April 2022, we received concerns that the provider was not meeting some of these requirements.

On 4 and 11 May 2022, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 25 May 2022

- ensure children have safe sleeping arrangements, this includes appropriate cots/beds and ensure there are effective measures in place to monitor sleeping children.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
