

Compliance action taken for childcare provision

Ref: 112397/5151068

Date: 20 May 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 May 2022, we received concerns that the provider was not meeting some of these requirements.

On 11 May 2022, we completed an unannounced regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 25 May 2022:

improve your understanding of the procedure to follow in the event an allegation is made against you or another adult, in line with the local safeguarding partners (LSP) guidance

implement a policy, and procedures, to safeguard children that is in line with the guidance of the relevant local safeguarding partners (LSP) and that supports swift action being taken should an allegation be made.

We will monitor the provider's response to ensure the actions are successfully completed.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
