

## **Complaint about childcare provision**

Ref: EY536936/5184985

Date: 20 June 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 June 2022, we received concerns that the provider was not meeting some of these requirements.

On 20 June 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 8 July 2022:

ensure that Ofsted is provided with the necessary information to enable them to carry out suitability checks for all members of the committee

ensure the members comprising the committee fully understand their roles and responsibilities to fulfil the requirements of the early years foundation stage (EYFS).

We will monitor the provider's response to ensure the actions are successfully completed.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
