

Compliance action taken for childcare provision

Ref: EY555282/5150044

Date: 31 May 2022

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at

www.gov.uk/government/publications/early-years-foundation-stage-framework-2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 April 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 10 June 2022:

- comply with requirements of health and safety legislation, including fire safety and hygiene requirements
- implement an effective system to ensure that robust recruitment procedures are followed to verify the suitability of staff
- review the organisation of documentation and ensure that it is readily accessible and available for inspection.

We will monitor the provider's response to ensure the actions are successfully completed.

On 13 June 2022, the provider responded to the actions set.

We found that the provider has taken steps to ensure the requirements of health and safety legislation are adhered to. The provider has strengthened the procedures for the recruitment of staff and the organisation of documentation has been actioned and completed.

We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
