

Compliance action taken for childcare provision

Ref: 253607/5124753

Date: 13 June 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 June 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 27 June 2022

- ensure that any inappropriate behaviour displayed by staff or any other person working with children is responded to in a timely and appropriate way
- ensure that all staff and committee members understand and follow their safeguarding policy and procedures
- ensure that you share information with parents and carers, other professionals working with the child, the police, social services and Ofsted to ensure the needs of all children are met
- ensure that confidential information and records about staff and children are only accessible and available to those who have a right or professional need to see them.

A suitable response to the actions were received.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
