The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 5 April 2022.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

| The following actions are to be completed by the date shown | Date |
|---|-------------|
| ■ ensure that all adults caring for children are alert to any signs that a child may be suffering from harm | 24/06/2022 |
| ■ ensure a daily record of children's names and hours of attendance is consistently maintained | 24/06/2022 |
| ■ train all staff on the setting's written child safeguarding policy and procedures | 24/06/2022 |
| ■ provide parents with copies of the written statements for safeguarding and complaints procedures | 24/06/2022 |
| ■ ensure that there are effective measures in place to ensure that all adults working with children continue to be suitable | 24/06/2022 |

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.

If you have any questions please contact us on 0300 123 1231 quoting the reference number at the top of this letter.

Yours sincerely
