

## **Complaint about childcare provision**

Ref: EY500684/5178878

Date: 8 July 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 June 2022, we received concerns that the provider was not meeting some of these requirements.

On 1 July 2022 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has improved the arrangements to collect children attending the provision for after school care.

The provider will be able to give parents further information about this.

On 1 July 2022, we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. The provider is still registered with Ofsted.
