

Complaint about childcare provision

Ref: EY319711/5158450

Date: 6 July 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 May 2022, we received a concern that the provider was not meeting some of these requirements.

On 5 July 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 20 July 2022:

- risk assess and eliminate any possible hazards in the rear garden.

The provider responded to Ofsted to say that they had made the rear garden safe by storing wooden pallets and logs out of children's reach, also that they have covered small stones with plant pots. We are satisfied with the action taken by the provider.
