

Complaint about childcare provision

Ref: EY435809/5125172

Date: 19 July 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 31 March 2022, we received concerns that the provider was not meeting some of these requirements.

On 8 July 2022, we carried out a regulatory telephone call. We found the provider had not met one of the requirements and had taken action to put this right. This was regarding dietary requirements. The provider took immediate and appropriate action. The requirement was reinforced with staff members and further observations and supervision has been carried out at mealtimes to ensure procedures and being followed.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
