

Complaint about childcare provision

Ref: EY293733/5163263

Date: 29 July 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 May 2022, we received concerns that the provider was not meeting some of these requirements in relation to supporting children with additional needs.

On 27 June 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. A new Special Educational Needs Co-Ordinator has been put into place and action has been taken to make sure that referrals made to obtain further support for children are completed within a timely manner.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
