

Compliance action taken for childcare provision

Ref: EY493351/5207513

Date: 3 August 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 May 2022, 11 July 2022, and 12 July 2022 the provider notified us that a child in their care had an allergic reaction to food or medicine provided by the nursery. This was a different child on each occasion. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant incident.

On 2 August 2022, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider had reviewed their policy and procedure around children's dietary requirements. They have put a robust procedure in place and menus have been reviewed to meet with children's dietary requirements.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
