

## **Complaint about childcare provision**

Ref: EY287532/5208237

Date: 9 August 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 July 2022, the provider notified us that a child required hospital treatment following a fall. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 4 August 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has improved the recording and reporting of accidents. Staff have received further guidance on completing visual checks when children have falls.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
