

## **Complaint about childcare provision**

Ref: 2610468/5183157

Date: 15 August 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 June 2022, we received concerns that the provider was not meeting some of these requirements.

On 23 June 2022 and 15 August 2022, we carried out a regulatory telephone call to the provider. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had updated the staff on the behaviour management policy to ensure this is consistently followed.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
