

## **Compliance action taken for childcare provision**

Ref: EY385959/5208327

Date: 17 August 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 July 2022, the provider notified us of a significant injury to a child which required hospital treatment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of serious accident, illness or injury to, or death of, any child while in their care, and of the action taken. In addition, the provider also notified the local child protection agency, as required in the EYFS statutory framework.

On 12 August 2022, we carried out a regulatory telephone call. We found the provider had fully investigated the incident and has since put measures into place to carry out further probing and testing of food temperatures before it is served to the children. Risk assessments have been reviewed and revisited and appropriate changes made which has been shared with all staff. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
