

## **Compliance action taken for childcare provision**

Ref: EY413549/5231072

Date: 17 August 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 August 2022, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of significant events. On 16 August 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken some action to put this right. The provider had improved staff's knowledge of the importance of completing accident forms promptly and with the appropriate level of detail. They had also reviewed and revised the procedures for risk assessments. However, we also found the provider was not meeting one of the requirements. We have issued actions for the provider to take within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 23 August 2022:

- notify local authority child protection agencies of any serious accident or injury to any child in your care and act upon any advice from those agencies.

On 18 August 2022, the provider responded appropriately to the action set. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
