

Compliance action taken for childcare provision

Ref: 2545734/5226145

Date: 23 August 2022

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 August 2022, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be not met with enforcement. The inspection report sets out the actions the provider was required to take to meet the requirements.

The provider made the decision to resign the registration before we were able to monitor the welfare requirement actions that were served at the time of inspection. The provider is no longer registered with Ofsted.
