

Compliance action taken for childcare provision

Ref: EY488255/5223171

Date: 16 August 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 August 2022, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any allegations of serious harm or abuse by any person living, working, or looking after children at the premises.

On 16 August 2022, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken some action to put this right. The provider had reflected on their safeguarding practice, they had reviewed their procedures to ensure that appropriate measures are taken to safeguard children when allegations are raised. However, we also found that procedures to supervise children were not effective.

We have issued an action for the provider to take.

Action needed by 30 August 2022:

- ensure children are always within sight and hearing of staff.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
