

Complaint about childcare provision

Ref: 2614923/5175629

Date: 25 August 2022

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 31 May 2022, we received concerns that the provider was not meeting some of these requirements.

On 25 August 2022, we carried out a regulatory telephone. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider now has additional staff available to ensure they are able to meet the requirements relating to staff qualifications. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
