

## **Compliance action taken for childcare provision**

Ref: 121458/5239692

Date: 1 September 2022

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 24 August 2022, the provider notified us of an incident relating to risk assessment and supervision of children. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 31 August 2022, we carried out a regulatory telephone call. During this call, we also discussed a previous notification on 13 October 2020 regarding an accident to a child. We found the provider was not meeting some of the requirements on both occasions and had taken action to put this right. This included new procedures to ensure children are consistently supervised and completing risk assessments to identify and minimise potential risks and dangers.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
